Excellency,

I have the honour to write to you again on behalf of the Panel of Experts on the Sudan established pursuant to Security Council resolution 1591 (2005) and recently extended by resolution 2138 (2014).

The Panel is grateful for your assistance in obtaining clarification of the position of Hacking Team S.r.l in terms of the use of its Remote Control Software in Sudan. Your response 213 of 16 January 2014 to our letter (S/AC.47/2014/PE/OC.239) of 23 December 2014 makes it clear that Hacking Team S.r.l currently has no business relations or any agreements that would allow the Sudan or any entity in its territory to use the software. The Panel would be grateful if the company could provide further clarification as to whether there have been any previous business arrangements or agreements in terms of the use of this technology in the Sudan in the past that may now have elapsed or have been terminated.

The Panel of Experts would therefore still be grateful of your good offices in assisting in obtaining the above further information from Hacking Team S.r.l.

Please allow me to underline that the Panel stands ready to comply with the conditions, if any, that your government deems relevant to apply to the use of the information requested by the Panel.

The Panel would sincerely appreciate if your office would kindly direct its response by **28 February 2015** to Ms. Sana Khan, Secretary of the Security Council Committee established pursuant to resolution 1591 (2005) concerning the Sudan: 2 UN Plaza, Fl 20, Room DC2-2034, United Nations, New York, NY 10017; Tel: 212-963-0981; Fax 212-963-1300; email: khan8@un.org.
