no

If you have checked one of the answer on the third point , you must name an H&S coordinator for the set-up and dismantling period and send his contact details and his general coordination plan for safety and health protection to the company "DOT" before 10/19/2013.

Acceptance of the legislation:

Decorative works made by the exhibitor and his subcontractors are under the full responsibility of the exhibitor.

yes

Legislation regarding the Prevention of workplace accidents requires health and safety coordination for any work site with at least two companies or independent workers.

The general coordination plan for safety and the protection of health (P.G.C.S.P.S) that has been sent to you, defines all the specific measures used to prevent risks arising from the activities of the different people working on the show. This document has been drawn up on request from MILIPOL PARIS Exhibition by the coordinator in compliance with the recommendations defined by the laws in force in particular **the law of 31.12.1993 No. 93-1418 and the decree of 26.12.1994 No. 941159 modified and completed by the decree No. 2003-68 du 24.01.2003.**

The exhibitor is requested to study and apply the regulatory measures defined in this document. The general coordination plan cannot replace the provisions of the labour code. It shall in no way diminish the responsibilities and duties of companies working on the site.

For the MILIPOL PARIS, this coordination assignment is insured by the company COMEXPOSIUM SECURITY through the intermediary of a delegated coordinator using a group of experts making up the MILIPOL PARIS unit.
