

**SERVICE LOCATION PLAN - 2013**

To assist us in placing your services in the proper location, please utilize this service location plan. If you send us your own floor plan, please make sure that it includes all of the information that we have indicated on this plan.

**ELECTRICAL SERVICES:**

- Indicate main power location.
- Indicate additional outlet locations.  
(Indicate wattage or amperage required at each location.)

**TELECOMMUNICATION SERVICES:**

- Indicate main telephone line location.
- Indicate extension locations.

**COMPRESSED AIR/WATER OUTLETS:**

- Indicate these locations (for island booths)  
By writing "Air/Water" at appropriate location.

**INTERNET SERVICES:**

- Indicate location of internet port.

**HANGING APPLICATIONS:**

- You must submit a detailed plan for hanging applications. Please see page 4 or contact us with questions regarding hanging signs, truss, or use of motorized hoist(s).
- Detach the Service Location Plan and send with your order form(s).
- Please complete this information for ease of booth identification.
