

Association of
Law Enforcement Intelligence Units (LEIU)

The Association of Law Enforcement Intelligence Units (LEIU) is an organization whose mission is to provide leadership and promote professionalism in the criminal intelligence community. LEIU was founded in 1956 and subsequently established criminal intelligence standards that are recognized by both law enforcement and civil libertarians as creating a proper balance between the needs of law enforcement and the constitutional privacy rights of individuals.

LEIU maintains a criminal intelligence clearinghouse that facilitates the timely exchange of confidential information among its 200 local, state and federal member agencies. Its annual conference provides for certificated training and the opportunity for intelligence professionals to network with other members and their associates. LEIU provides its members with evaluation and technical assistance as well as timely publications and appropriate advocacy for professional criminal intelligence standards on the national level.

LEIU membership is agency-based. If you would like information on joining please contact Executive Director Bob Morehouse at bob.morehouse@doj.ca.gov or contact LEIU at 916-227-7881.

Let LEIU be "Your voice at the national level!"

Non-IALEIA/LEIU members who are not employed by a law enforcement agency will need IALEIA/LEIU Board approval.

The Department of Homeland Security (DHS) has approved the use of DHS Homeland Security Grant Program funds to pay for attendance at the LEIU/IALEIA events in Vancouver in 2007, Boston in 2008, Las Vegas in 2009, Orlando in 2010, Nashville in 2011, and San Diego in 2012. Once again, the LEIU/IALEIA event will have a strong nexus to Homeland Security and therefore qualify for DHS grant funds. However, as always, grant expenditures must be cleared with your DHS State Administrative Agency to make sure this applies in your region.
