<b>Complete Address</b>	VIA MOSCOVA, 13 - 20121 - MILAN - ITALY		
<b>Telephone No.</b>	+39 02/29060603		
<b>Fax No.</b>	+39 02/6318946		
<b>Email</b>	amministrazione@hackinyteam.com / lu.bettini@hackinyteam.com		

The Doha Exhibition Centre is providing Wi-Fi connections in the venue and Comexposium is setting up a 4G broadband network for Milipol Exhibitors for wired internet services.

IT Services	Internet Connection Speed	Unit Cost Euros (€)	Qty	Total Euros (€)
Free Wi-Fi		FOC		
Shared wired connection with RJ45 Connection	1Mbps	60.00 (per cable connection on full days of show)	1	60,00

### Wired internet

- Internet services are provided as a Broadband type. I.e. A contested service not fixed as would be a Leased Line.
- Internet Speed selected will be shared across the active concurrent connections (sessions) chosen. Due to the nature of the internet a single connected user will not ever achieve the full download speed advertised. Upload and download speeds can vary per connection.

### WIFI

- Wi-Fi is a shared service and the performance depends on numbers of active users.
- Not recommended for high throughput demonstrations of files download

Note: Please send stand layout for the internet wire location

**TO BE RETURNED TO:** Ms. Amor del Mundo  
[a.delmundo@comexposium-me.com](mailto:a.delmundo@comexposium-me.com)

**Payment in full must accompany this order:**

## TERMS & CONDITIONS

Upon signature it is understood that the client:

- 1 Is solely responsible for the security of any devices, hardware, data, software applications connected to the network. The organiser shall bear no liability for any consequential losses as a result of the utilisation of IT services.
- 2 Agrees that IT facilities are to be used for legitimate activities only. In order to safeguard the integrity of the IT systems there are certain activities in which it is not permitted to participate using any Milipol IT facilities. You must not use IT facilities to transmit, download, store or access information which may result in Legal action against the Company, or compromise the integrity of its IT facilities. In particular this applies to any illegal, objectionable and/or inappropriate material, software or access. Non-adherence may be punishable under local law.
- 3 Accepts full responsibility for any IT equipment and associated cabling as provided and is therefore liable for any damage or loss caused due to the clients negligence. This does not apply to IT equipment deemed to have failed due to normal wear and tear.
- 4 Accepts that under no circumstances will they, interfere with, attempt to repair or open any of the IT equipment provided by Milipol in the event of a technical failure. Any technical issues should be communicated to the organiser's office immediately.
- 5 Accepts that the organiser shall have no liability to the client for any consequential losses due to the failure of any IT equipment or services as supplied.
- 6 The owner of any device that is required to be connected to the provided IT infrastructure is responsible to configure that device in order to provide that connection. The service provider staff will not configure non IT broadband owned IT equipment.
- 7 The Organiser will not be held liable for any failure in the internet service.
