Customer No: 2014 - 075 - 655 FOR SMART CITY USE: Payment Rec'd (Amount):

7. Move - In / On - Site order fee of \$250 Internet/Network / \$75 Telephone - per line (if ordering service after show move-in has started).

ORDER ON LINE: https://www.smartcitynetworks.com/order/center.aspx?center=075

#### Terms and Conditions / Payment Options

1. Smart City is the exclusive provider of all Voice, Data and Network services (wired and wireless). Smart City provides cabling to meeting rooms, booths, within booths (under carpet and flooring), fiber optic, twisted pair (Category 3, 5 and 6), coaxial and all other data and telecommunications related cabling.

2. The use of the network connection(s) provided by Smart City may be used only by the directors, officers and employees of the Company, its guests, its agents and consultants while performing service for the Company and cannot be resold or distributed to other companies

or individuals

3. All devices for which Smart City directly or indirectly provides Internet Network connectivity must pay a device charge or purchase a Smart

City assigned IP address.

- 4. Incentive Price applies when a completed order with payment is received no later than 21 days prior to the first day of show move-in. Base Price applies to (a) all orders received from One (1) to Twenty (20) days before show move-in has started or (b) orders received on or before the 21 day Incentive Deadline without payment (c) orders placed on site or after show move-in has started will be at Base Price plus an additional on-site fee of \$250 (Internet) / \$75 Telephone) - per line.
- 5. Internet / Network 10 / 100 Mbps, half / full-duplex, auto-sensing Ethernet access to our backbone, with shared or dedicated Internet access up to 512 Kbps or greater (depending on service ordered) via an RJ-45 jack, is provided for each connection ordered.
- Shared Internet Services Specific: Routers, Streaming Applications, VolP, DHCP, NAT or Proxy Servers are not allowed with any of our shared Internet / Network services. This includes, but is not limited to, NetPremium, NetStandard, NetBasic, and NetExpress. Smart City can engineer a custom dedicated network(s) to accommodate such special requests. Please call for quote.

7. Rates listed include a single IP address, standard installation to the booth in the most convenient manner and does not include computer equipment, NIC card, TCP / IP software or power to the booth.

Limited Availability: T-1 / DS-3 and other special circuit orders must be placed 45 days prior to show move-in date due to limited

availability and to avoid additional charges.

- 9. Wireless Specific: (a) Smart City is the exclusive provider of voice, wired and wireless data service(s) for the Facility. Wireless Devices not authorized by Smart City are strictly prohibited. Customer(s) that desire to showcase their wireless products must contact Smart City 21 days in advance of show move-in to investigate the potential of Smart City engineering a customized cohesive network to operate without interference to other Customer(s), (applicable charges may apply). (b) The use of any wireless device that interferes with the facility's 2.5 / 5.8 GHz wireless data frequency range is prohibited and subject to disconnection at the Customer expense.
- 10. Unless otherwise directed, Smart City is authorized to cut floor coverings to permit installation of service

- 11. Only Smart City personnel are authorized to modify system wiring or cabling. Material and equipment furnished by Smart City for this service contract shall remain the property of Smart City.
- 12. Internet Performance Disclaimer: Smart City does not guarantee the performance, routing, or throughput; either expressed or implied, of any data circuit(s) connectivity with regards to the Internet and / or Internet backbone(s) beyond the Facility.
- 13. CANCELLATION There is a minimum \$150 or 10% Cancellation fee (whichever is greater). Cancellations must be in writing. Additional cancellation charges will apply for orders that have already incurred processing, labor, material, and / or engineering costs. Some broadband services and special circuits cannot be cancelled once ordered and will incur full charges listed / quoted. Credit will not be given for service(s) installed and not used.
- 14. Service problems must be reported to the Smart City Service Desk. Service claims will not be considered unless filed in writing by Customer prior to close of show
- 15. Any additional cost incurred by SMART CITY to: 1) assist in trouble diagnosis or problem resolution found not to be the fault of SMART CITY or 2) collect information required to complete the installation that customer fails to provide (i.e. floor plans or special circuit numbers) may be billed to the Customer at the prevailing rate.
- 16. Equipment Management: (a) Customers should pick up hubs. wireless devices, telephone instruments and other rental equipment at the Smart City Service Desk. (b) The Customer will be fully responsible for the protection and safekeeping of rental equipment and will be responsible for returning all rental equipment to the Smart City Service Desk within one (1) hour following close of the show
- 17. The prices listed on this contract do not include Federal, State, Local or Other Taxes and Tax surcharges. Taxes / Tax surcharges will be included on your final bill. Federal Tax ID is 22-3810189.
- NOTE: THE CUSTOMER IS RESPONSIBLE FOR ALL INTERNATIONAL LONG DISTANCE AND OTHER APPLICABLE 18. NOTE: CHARGES AGAINST ASSIGNED TELEPHONE NUMBER(S)
- All Single Line, Multi-Line, and Dedicated Line Telephone services include Directory Assistance, Information, "0+", Operator assisted, 1-800, 950, credit card type call usage and unlimited Domestic Long Distance. International Call charges will apply.
- 20. Long Distance (International Calls) and Line Restrictions: (a) Credit Card restriction will only allow Local, "1-800" and Credit Card calling. Intl restriction will block all International calling but allow all other type calls. (b) All lines will be blocked from "976" and "900" dialing unless otherwise requested. Additional deposits may be applicable. (c) Smart City will provide a detailed listing of all toll / billable type calls made from applicable services. Additional LD deposits required for Intl companies
- 21.A per line move fee starting at \$100 (Telephone), \$200 (Internet) may apply to relocate the line(s) after it is installed.
- 22. Prices are based upon current rates and are subject to change without notice

(1) All Customer contracts and agreements are solely between SMART CTY and the prospective Customer; (2) SMART CITY is not the employee, agent or partner of the Facility (3) The Facility is not a party to, nor shall it have any obligations or liabilities whatsoever to any Customer, under any Customer Contract including without limitation, the obligation to provide any of the services covered by such Customer Contract. (4) No representations or warranties are being made by the Facility with respect to any Customer Contract or any Communications Services; (5) The right of the Customer to receive any Communications Service will by the Pacialty will respect to any customer contract of any continuing solutions of the Contract of the Contr independent from the provisions of the Customer's lease space in the building and shall not affect the Customer's obligations under such lease and without limiting the foregoing, in no event shall any default by SMART CITY under the Customer Contract or any failure with respect to any Communications Services have any effect on any Customer's obligations to the Facility under any lease or any other occupancy agreement between such Customer and the Facility.

23.A valid Credit Card number with signature MUST be on file regardless of payment method. For your convenience we will use this authorization to charge your credit card for any additional amounts incurred.

24. Smart City accepts payments in US dollars, Checks drawn on a US bank, Wire Transfers or the following Credit Cards: (Amex, MasterCard, Visa,). Make all checks payable to: Smart City

25. Due to the cost of processing checks, any refunds due in the amount of \$10.00 or less will not be refunded except upon written request.

#### Overview

Smart City is the exclusive provider for wired and wireless services for the Facility and has in operation a comprehensive wireless 802.11 a / g / n network. Smart City operates multiple Cisco wireless networks utilizing over 1000 access points throughout the Orange County Convention Center. Smart City can engineer custom dedicated network(s) to achieve your company objectives. Please contact us at (888) 614-2637 to discuss your network design.

#### Pay-Per-Day Products

- 2.4 GHz 802.11 g / n: Complementary basic Wi-Fi® available in the Facility's public space. For business class speeds utilizing a 2.4 GHz network Instant Internet (up to 512 Kb) is available as an on-site pay per day service in the Facility's public space.
- 5 GHz 802.11 a / n: Exhibitor Internet (up to 1.5 Mb) is available as an on-site pay per day service in all areas of the Facility including the Exhibit Hall, Meeting Rooms and Public Space. 5 GHz wireless adaptors are available for purchase on-site at the Smart City Service Desk or by calling Smart City at (407) 685-2000.
- Wireless speeds and accessibility depend on the wireless environment in a local area.

#### **Custom Wireless Networks**

If you require wireless 5 GHz access for application demonstrations, Smart City is able to build a custom 5 GHz wireless network in your booth. Please call Smart City at (888) 614-2637 for a custom wireless quote.

#### Internal Networks

Smart City is the exclusive provider of all voice, wired and wireless data services. Wireless Devices not authorized by Smart City are strictly prohibited. Smart City requires all Customers showcasing their wireless products to contact Smart City 21 days prior to the show move-in so that we may engineer a cohesive network operating without interference (all approvals will incur a Wireless Engineering Management Fee). Please provide Smart City with the make and model of your wireless router for network approval (wireless access points without adjustable power outputs cannot be authorized under any circumstances). Wireless devices need to be programmed on-site following Smart City guidelines.

#### **Customer Acceptance**

Wireless service is inherently vulnerable to interference from other devices that transmit similar radio frequency signals or that operate within the same frequency spectrum. Smart City does **NOT** recommend wireless service for mission critical services such as presentations or product demonstrations that can accept a wired CAT5 connection. Per our Terms and Conditions listed on Smart City's Customer Contract, misuse of any wireless service may result in service interruption to yourself or other Customers and can lead to disconnection of the Customer's equipment.

### ALL WIRELESS ACCESS POINTS NOT AUTHORIZED BY SMART CITY ARE PROHIBITED.

I hereby attest that I understand the limitations and vulnerabilities of the wireless service provided by Smart City. I also understand that if I use this service for any reason including, but not limited to, demonstrating, showcasing or presenting my product(s), Smart City will not be responsible for possible interference that I may experience. Upon receipt of the completed Smart City Contract, Smart City Services will be activated / available for your use.
