

Welcome to Cartagena, Colombia

Cartagena de Indias is the undisputed queen of the Caribbean coast, a fairytale city of romance, legends, and superbly preserved beauty lying with an impressive 13km of centuries-old colonial stone walls. Cartagena's old town is a Unesco World Heritage Site- a maze of cobbled alleys, balconies covered in bougainvillea, and massive churches casting their shadows across the plaza.

Dear IDEC XXXI Exhibitors:

We are proud to announce that the 32nd Annual IDEC Conference (IDEC XXXII) will be the Association of Former Federal Narcotic Agents (AFFNA) 9th Annual Law Enforcement Expo at IDEC Conferences. Last year's IDEC XXXI in Rome, Italy was an amazing success and culminated with a private audience for our attendees with Pope Francis who declared his position against the legalization of all drugs.

The DEA's Association of Former Federal Narcotic Agents (AFFNA) informs you that the U.S. Drug Enforcement Administration (DEA) and the Colombian National Police (CNP) are the co-hosts of the IDEC XXXII to be held on June 1-5, 2015 in Cartagena, Colombia. IDEC XXXII is the world's most important operational planning and targeting conference and it is where global law enforcement agencies come together to develop their counter drug strategies and operations against the world's most dangerous drug trafficking and terrorist organizations.

The IDEC XXXII delegates consists of the top law enforcement officials from 130 countries, as well as members of the U.S. and Colombian military and law enforcement agencies. We are pleased to announce that IDEC XXXII will be held in the beautiful city of Cartagena, Colombia.

On behalf of AFFNA we look forward to supporting your trip and meeting you in Cartagena to share the rich history of Colombia and to also help make next year's IDEC XXXIII conference the most productive conference ever. We appreciate your attendance at IDEC XXXII and the opportunity for the IDEC delegates to become familiar with your state-of-the-art equipment and services which will assist us in our global investigations and help keep us safe. We appreciate your support of IDEC Conference and we assure you that you will find IDEC XXXII to be the best and most productive event of the year for your company.

Please do not hesitate to register for the AFFNA Law Enforcement Expo at IDEC XXXII as we purposely limit the number of exhibitors attending IDEC to increase the networking opportunities between the IDEC delegates and exhibitors. Each year booth space and sponsorship opportunities are taken quickly by companies seeking access to the world's top law enforcement officials attending IDEC XXXII.
