#Each piece must weigh no more than 23kg for Economy Class and no more than 32 kg for Business or First Class/Suites.

For safety reasons, cabin baggage must not exceed 115 cm (45 inches) in total linear dimensions and weigh not more than 7 kg (15 lb) each. Seating:

Passengers may be allocated any seat on the flight in the class of service for which the ticket has been issued. Passengers who have pre-selected their seats, are advised that such pre-selected seats are not guaranteed and may not be available in some cases, and SIA reserves the right to allocate another seat to the passenger, within the same cabin, in lieu of the seat pre-selected by the passenger earlier.

Notice - Overbooking of flights:

Airline flights may be overbooked, and there is a slight chance that a seat may not be available on the flight for which a person has a confirmed reservation. If a flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservations in exchange for compensation of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to passengers in accordance with its boarding priority. With few exceptions, including failure to comply with the carrier's check-in deadline (which are available upon request from the air carrier), persons

involuntarily denied boarding are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations. Some airlines do not apply these consumer protections to travel from some foreign countries, although other consumer protections may be available. Please check with your airline or your ticketing agent.

Air Passage Regulation:

Transportation and other services to be performed by the carrier are subject to Conditions of Contract, and other important notices which are delivered with this itinerary/receipt and form part of the Contract of Carriage. Please ensure that you have received these notices, and if not, contact the nearest office of the issuing airline or your travel agent to obtain a copy prior to the commencement of your trip.

If your journey involves an ultimate destination or stop in a country other than the country of departure, international treaties, known as the Warsaw Convention and the Montreal Convention, may be applicable. These conventions govern and, in some cases, limit the liability of carriers for death of or personal injury to passengers, and in respect to loss of or damage to baggage.

Also see notices in the Conditions of Contract under the following headings: Advice to International Passengers on Limitation of Liability and Notice of Baggage Liability Limitations.
