▶ **Solutions**

The Company designs, develops, and markets complete solutions for single sign-on services, secure remote access, and multi application smart card-based enterprise access cards. The Company's solutions are designed to offer a more cost effective and flexible way to manage user access and authentication, provide protection against identity theft and fraud, help maintain privacy of information, and provide legally binding evidence. Our solutions include:

- Enterprise Single Sign-On
- Secure Remote Access
- Enterprise Access Cards
- Financial Services Solutions
