

Courses HUMINT Primer and HUMINT Training

Training Course

G2 Systems Ltd Courses HUMINT Primer and HUMINT Training

1. Course Offer

HUMINT Primer

Duration: 2 days

Qualification: On the completion of the course, all students will receive a certificate of attendance qualifying them to take part in the HUMINT Training.

Student Group: The course has been designed for the mainly technical personnel of Government Security Agencies and their units that are focused on the rather technical side of intelligence gathering, in order to enhance a first understanding of HUMINT Intelligence as a primary source collection discipline. Furthermore the HUMINT Primer also addresses all investigative corporate personnel as well as intelligence related job functions, as e.g. competitive intelligence, security and internal revision officers. The level of the course is considered to be an introductory course, which can be combined with the follow-up course. The training is designed for 6 people.

Aim: To enhance the personal Human Intelligence capabilities; widen the communicational horizon; to develop a common understanding of how to integrate Human intelligence products into the collection cycle and therefore to discover the synergy effects for all other intelligence disciplines.

Language: The course is conducted in English. Due to the communicational nature of the course a proficient fluency is recommended.

Objectives: At the end of the course students will be able to demonstrate an understanding of:

- The benefits and limits of Human intelligence gathering
- The psychology of intelligence
- Basic communication models and methods of Human Intelligence collection
- Practical training, including personal feedback

Location: No specific location needed.

Basic Training Package includes:

- All teaching, practical and course work
- Course notes in hard copy and CD-ROM
- Individual student assessment
- Recommendations for future development of skills and equipment
- Accommodation and travel expenses of trainer depending on chosen location

Rate: Depending on chosen location.
