Hi Alexander,

Just quickly following up from our phone conversation just now. We are sharing Cambridge Analytica's historic clients, including the John Bolton PAC and Thom Tillis, with Scott.

Can you please provide the list of current clients that you are working with, once you have received approval from the individual campaigns?

Best,  
Robert

Hi Livia,

Scott from Politico would like to lock in this interview for 12:30pm ET. Overall, the interview should take about 20 minutes.

We'll send across a calendar invite momentarily and call Alexander's cell phone at that time to connect the call.

Best,  
Robert

Hi team,

We've connected with Scott Bland of Politico, who edits their Campaign Pro section, and he would like to interview somebody from Cambridge Analytica today or tomorrow about its role in the Cruz campaign's victory in Iowa.

Scott would specifically like to learn more about what makes Cambridge Analytica's method different from the many other data targeting firms on the market.

Is Alexander or anyone else on the Cambridge Analytica team available to speak with him this afternoon or tomorrow?

Best,  
Robert
