Hi all,

Azrin suggests we make the call at 2pm GMT/10pm Malaysia and Singapore time.

I will send a calendar invite now - with my Uber dial in code for all.

Best wishes,

Tee

Thank you all. I agree with Pere's suggestion that we rework the earlier proposal along the lines that Azrin suggested. I'm ready to join a call this evening local time, when we're through the keynote address. Let me know when suits.

Cheers

As far as this proposal is concerned, I would suggest that we just slightly rework the proposal for TAA that we sent them a few months ago to change the focus. I've attached the previous version for consideration, and can provide an INDD tomorrow.

It's up to Mark and Sabhita to make the determination on what they want to do, though.

Hi Sabhita and Pere:

I just came off a call with Azrin (SCL Malaysia). I gather from him that Mark will be pitching

to Dato Seri (equivalent of "Sir" in the UK) Aminudin on behalf of the Secretary General of United Malays National Organisation (UMNO) on Monday 10th October. He believes we should have a proposal to give to Dato Seri Aminudin. The offer will be evaluated by the Secretary General and then forwarded to the main leadership.

I propose to organise a call with Mark and Azrin tomorrow so we understand exactly what we are proposing. Please let me know if you can make it and what time is good for you both?

Best

Tee

Hi Azrin,

Great to speak to you a moment ago. This is an exciting opportunity. I will check with Sabhita, [Director of Operations SCL Elections/Social](#) (CCd here), Pere and the team what time is good for a call with you tomorrow.

Thanks,

Tee

Hi everyone,

Hi Pere, good to be touch again.

As I was briefed earlier today, it should be a proper proposal to Barisan Nasional for the 40 constituencies. As I understand it, the 10th will no longer be just a supper but a pitch to Dato Seri Aminudin (on behalf of the Secretary General) for the contract which will be decided by the committee that he chairs. I would advise that the costings be on a separate sheet as well as what is needed from the local partner to make sure implementation is successful. I believe that the local partner will 'mark up' from our costs.

Once ready, you can email the proposal and I will have it printed in Malaysia.

Thank you

I copy here Pere so that the operations team can begin assessing these costs. Do we need the full proposal by the 10th then?

Thanks so much,

Hi All

Please find attached the latest schedule bearing confirmed meetings.

URGENTLY, The Hon Tengku Adnan who is UMNO Secretary General has assign Dato Seri Aminudin Mustafa whom we will have supper at 2200 hrs on Oct 10 to discuss with us the details of a contract for them to consider. They have requested that we prepare a proposal:

1- Bearing SCL's costs for (parliament areas) -

(a) to retain (27)

Arau, Pendang, Jerai, Kulim Bandar Baru, Ketereh, Machang, Bagan Serai, Kuala Kangsar, Telok Intan, Balik Pulau, Cameron Highland, Bentong, Bera, Sungai Besar, Hulu Selangor, Kuala Selangor, Setiawangsa, Titiwangsa, Segamat, Labis, Ledang, Muar, Tebrau, Pasir Gudang, Pulau, Kota Marudu, Beaufort

(b) to regain (13)

Alor Setar, Bachok, Pasir Putih, Kuala Krai, Kuala Nerus, Bukit Gantang, Temerloh, Gombak, Sepang, Lembah Pantai, Telok Kemang, Batu Pahat, Sandakan

I would suggest that the costing sheet be separated as there will be cost adjustments when presented to the Minister

2- A timeline for the whole exercise involving the 40 parliament areas

3- Suggestion of the number of enumerators needed for the exercise

4- A list of requirements that the local partner would need to prepare - location for focus groups, invitation for qualitative studies, enumerators, enumerator allowances, smart devices, lodging, transport etc (in short all that SCL will not be providing)

5- To share during the supper our success stories

I look forward to securing our first contract in Malaysia

Hi all,

Please find attached an updated schedule for Malaysia. (I've included Dr Nor in this discussion)

Please have a look at the topics for Unirazak. The event will be for a commercial audience. Im informed that Unirazak has invited Nazir Razak, the younger brother of the PM to attend.

Unfortunately, UMNO requests to postpone the event as most of the invites are unable to attend. I would suggest to still fly to Kuala Lumpur mainly due to economic reasons. It would be far cheaper to be in Kuala Lumpur than Singapore (accommodations, travel, expenses etc)

Thanx

Hi, Azrin

Hope all is well with you. Please see attached my schedule of flights/hotel, so that you know my movements. I haven't spoken to Brittany in the past few days -- she's been out of the office for personal reasons -- but I'm assuming unless I hear to the contrary that she will be joining us for Tues dinner and thereafter for the two-day conference.

Meanwhile I continue to work on the two presentations for Malaysia -- UMNO conference and UNIRAZAK Business Discourse series. Let's touch base later.

Cheers
