Dear Grant,

Danielle has been in touch earlier to reschedule our call for Tuesday next week and I look forward to touching base on Malaysia (particularly as our MD is travelling to KL on 10th May) , Cote D'ivoire and Guinea.

I am writing to follow up on another matter we discussed which is how SCL could provide communications support to Blenheim Capital for the upcoming announcements at the WEF in Jordan. It would be most helpful if we could review the project summary and presentation before the long weekend. Mindful of your busy schedule, Brittany and I can liaise with Sa'ad (copied in) whom we have met previously through our MENA Health conference and, if of interest to BC, prepare a communications proposal for your review in earliest course.

I look forward to speaking with you on Tuesday and hope you enjoy the bank holiday weekend.

With kind regards,

---
